Jobs

(1) University of Ulster have research study opportunities in Nanotechnology and Advanced Materials (see <http://www.namri.ulster.ac.uk>). Or contact hj.campbell@ulster.ac.uk. Closing date for applications is 29th August.

Other Matters

Network Directory Forms

— all members should have received a directory form for completion and return. These completed forms will be available for viewing, by members only, on the Network website.

Expense Claim Forms

When completing these forms <http://www.ukspc.org.uk/funding> please note that only full receipts (not credit card slips) will be authorised. Sorry for this—but it is a University accounting rule; so don't throw away those receipts.

New Meetings

Task Group Meeting of the New Materials Group has been provisionally organised for 2nd October (details to be announced). Any queries contact:

j.a.darr@qmul.ac.uk

Minutes

Minutes of the bi-annual meeting of the UK Semiconductor Photochemistry Network, recently held at Loughborough, are available at
