

WELCOME

A warm welcome to all existing and new members of the Network. This is the sixth edition of our newsletter.

New Events

The next meeting of the Network is being held in Lancaster on 8th July 2009

http://www.ukspc.org.uk/events/network_meetings/20090707_lancaster

New....

Upto £75 travel and subsistence bursaries (subject to receipts) are available for **all** attendees.; £125 for presenters (max 2 presentations per group). 25 min duration for talks.

So...if you wish to present (or just attend) email the network secretary:

roslyn@ukspc.org.uk

Jobs

The University of Twente has a full professor position in the field of photocatalytic fuel synthesis available.

<http://www.utwente.nl/vacatures>

Other Matters

International Conference on Semiconductor Photochemistry

SP-3

A date for your diaries. International conference to be held at Strathclyde University from 12th to 14th April 2010, a day in a Scottish castle on 15th April and a PhD symposium on 16h April. All network members will receive a travel bursary of up to £150 (subject to receipts) once upon "early bird" registering for the conference (deadline 31st December, 2009). All relevant information can be found at:

www.sp3conference.com

Other conferences

The First European Symposium on Photocatalysis in being held in Bordeaux, France from 21st to 22nd September 2009. Further details can be found at

<http://jep2009site.teamresa.biz>

"Light Energy for a Brighter Future" details of the meeting and registration can be found at <http://www.weizmann.org.uk/>

Minutes

Minutes of the bi-annual meeting of the UK Semiconductor Photochemistry Network, recently held at Glasgow, are available at

http://www.ukspc.org.uk/events/network_meetings/90107_glasgow/documents.

Presentations from the PhD symposium can also be found at

http://www.ukspc.org.uk/events/network_meetings/90108_strathclyde/documents

Note, as with all archived documents, these are in the password-protected part of the website.
